CCD's Wellness Center

At the Colorado Conservatory of Dance, we place the highest value on our dancers' health and well-being. Our Wellness Center provides students with exceptional care for body and mind. In our fully-equipped Karen Shanley Pilates Studio, dancers can strengthen their structure and technique by cross-training in Pilates and working with a physical therapist to recover from or prevent an injury. Physical Therapy, Massage Therapy, and Fascial Distortion rehabilitate injuries and re-balance bodies under the strain and rigorous physical demands. With affordable rates and special discounts for students, the CCD Wellness Center ensures a full complement of supportive services for the entire community.

To schedule wellness appointments contact the front desk at info@ccdance.org
