

Financial Aid Scholarship Guidelines 2017-2018 Season

Purpose

Colorado Conservatory of Dance trains students of all ages, abilities and backgrounds. We understand that some dancers and their families cannot afford to pay tuition and fees. Therefore, we offer financial aid scholarships to a select number of students who meet our financial, dance and leadership criteria.

Amount, Value and Scope of Scholarship

The amount of scholarship will be determined by financial need (based on Federal Poverty Guidelines). We may award a full or partial scholarship. Scholarship students are expected to take the recommended number of classes for their level; therefore, the value of each scholarship will vary.

Scholarship may only be applied toward tuition and fees for the current season, which runs August 14, 2017 – June 2, 2018, and includes the summer session from June 18 – July 28, 2018.

Families with multiple students may apply for scholarships for each student; however separate applications must be completed for each child.

Scholarship funds may not be used for the following:

- Payment of private lessons or master classes.
- Payment of Pilates lessons.
- Payment of wellness appointments, including physical therapy, chiropractic and massage.
- Payment of tuition in excess of scholarship award
- Payment of overdue tuition owed for prior sessions
- Purchase of CCD merchandise

Criteria for selection

All applications will be evaluated based on financial need, dance-related criteria, leadership and quality of application.

Deadline

Financial Aid Scholarships are awarded on a rolling basis; however priority consideration will be given to applications received two weeks before the start of the season. For the 2017-2018 season, applications are due on July 31, 2017.

- **All sources of household income must be disclosed, including child support.**
- **Most current year's tax return is required with all applications.**

Responsibilities

Financial aid scholarship recipients and their families are expected to be role models for other Colorado Conservatory of Dance dancers and families through the following:

- Excellent attendance and punctuality
- Consistent adherence to dress code and other CCD policies
- Exceptional, positive attitude toward other dancers in the CCD school

- Outstanding, healthy nutritional habits
- Consistent respect and positive attitude toward CCD teachers and staff members (required of both dancer and family members)
- Full, proactive participation in all CCD performances, fundraising activities and other special events
- Parental involvement and volunteerism
- Completion of grant paperwork as requested by CCD. Some scholarship funding is received from outside organizations; we may ask you to complete paperwork that would help us attain this funding.

Revocation of Financial Aid Scholarship

If a student fails to meet the above responsibilities his/her tuition assistance may be revoked. Revocation of tuition assistance is a serious step, and will be considered in the following circumstances:

- Chronic lateness or absenteeism in class or rehearsals
- Negative attitude or poor role model behavior
- **Alcohol (for students under the age of 21), cigarette or drug use will result in the immediate revocation of all tuition assistance and possible dismissal from the school.**

Renewal of Scholarship

This scholarship is not automatically renewed each year. Students who receive a financial aid scholarship this season must re-apply again next season. Top priority in granting tuition assistance will be given to re-applying students who have met and/or exceeded all of their tuition assistance responsibilities during the previous season.
