- Staff and Faculty members who have been fully trained in current health, safety, and disease prevention procedures.
- CCD Staff and Faculty will abide by these procedures and will not come to the facility if they exhibit any symptoms associated with the COVID-19 virus.
- Staff and Faculty members will be required to get weekly rapid testing.
- Class sizes will not exceed current public health orders.
- All conservatory program classes are intended to be held in-person. In very special circumstances, CCD can provide online options for our conservatory students, however this is not guaranteed.

This protocol remains a CCD community and team effort. CCD must continue to band together and follow these guidelines to keep everyone safe, especially our young and vulnerable dancers. We want to remain in-person for classes, rehearsals and performances. CCD appreciates everyone's cooperation, support and honesty.
